## Soft Skills

---

Problem Solving, Logical Thinking, Attention to Detail, Time Management, Team Collaboration, Communication Skills, Adaptability, Willingness to Learn

## Education

---

### Bachelor of Technology in Computer Science and Engineering

2023 – 2027

Axis Institute of Technology and Management, Kanpur

Relevant Subjects: Web Development, Database Management Systems, Java Programming, Operating Systems, Data Structures

### Senior Secondary Education (PCM)

2023

Subhash Smarak Inter College, Kanpur

## Projects

---

### Personal Portfolio Website

2025

Project Link: <https://Piyush786-coder.github.io/Portfolio/>

- Created a personal portfolio website to present projects and technical skills.
- Structured layouts using modern cascading style sheet techniques for device compatibility.
- Added JavaScript logic for navigation handling, smooth scrolling, and input checks.
- Improved loading performance through optimized images and structured markup.
- Managed source code using Git and GitHub.

### Music Player Web Application

2025

- Built a browser based music player using JavaScript.
- Controlled audio actions such as play, pause, seek, and track change.
- Updated user interface elements based on user interaction.

### Task Management Web Application

2025

- Designed a task management application with a simple and clear interface.
- Implemented add, edit, and delete features using browser local storage.
- Maintained logical structure and basic accessibility support.

## Certifications

---

- Full Stack Web Development Certification (Intermediate to Advanced)
- MongoDB Database Certification (Beginner to Intermediate)

## **Additional Information**

---

Languages: English, Hindi

Activities: Coding practice, technical workshops, self learning projects
